

# Alzheimer's Disease & Dementia Care Seminar

Take the first step on the path to becoming a Certified Dementia Practitioner!

What does it mean to be a Certified Dementia Practitioner? It means you have the knowledge base and skill set to provide the utmost quality in care and services to seniors with Alzheimer's and related dementias.

This one-day class will put you on the path to obtaining your CDP credentials!

For more info about upcoming dates check out our site. Schedule now classes fill up fast!

This is the required course to apply to become a Certified Dementia Practitioner with NCCDP, to see if you meet qualifications for the certification visit:

[www.nccdp.org](http://www.nccdp.org)
